

NICCOLLa

MULTIPLIER EVENT

COLLABORATIVE WORKSHOP

8 JULY 2021

9h00 (10h00 CET) | ONLINE

AGENDA

Portuguese time

- 09:00** Opening
- 09:05** NICCoLLa project (Courses Introduction)
General overview of the exercise for the Breakout rooms
- 09:25** Quick break
- 09:30** Breakout rooms with small groups
- 10:30** Each group present their results
- 11:00** Closure (news about next events)

NICCoLLa output:

- Curricula for education (30 ECTS)
- Online course content and training for professionals in the field of technology/ICT (T&I) and healthcare and wellbeing (H&W)
- Blueprint for the development of a care technology lab (CTL)

The primary aim is to teach H&W AND T&I (future) professionals to develop **competencies and skills** useful for a future where T&I solutions for H&W play an increasingly important role in delivering client/patient-centered, efficient and accessible care/counseling.

-insights in available innovative solutions for H&W

-insights in good and bad practices, successful and failing innovations

-bridging the knowledge and skills gap in successfully using T&I solutions

-legal, ethical and moral implications in using T&I solutions

Breakout rooms

Clients/Patients Perspective

Course 1:

Working with technology/ICT for Health&Welfare as expert and professional

Course 2:

Working with clients/patients using technology/ICT

Moderators:

Menno Stofkooper
Jordi Linares

Professionals/ Organizations Perspective

Course 3:

Legal, ethical and moral dilemmas of working with technology/ICT in the Health&Welfare sector

Course 5:

The 'future-proof' professional in the Health&Welfare sector

Moderators:

Jay MacDougall
Marleen Mares

Interdisciplinary Perspective

Course 4:

Transdisciplinary co-creation of technology/ICT solutions

Course 6:

Service design for the Health&Welfare sector and its target groups

Care Technology Lab (CTL) blueprint

Moderators:

Angèle Geerts
Maartje Vermeer

Breakout rooms

Quick break

Fetch your innovative object, you have 5 min...Hurry up 😊

Breakout rooms with small groups (1h):

- Ice breaker (5-10min max)
- Theme presentation (5-10min max)
- Debate (30min)
- Conclusions (10min)

Clients/Patients Results

(10-15min)

Moderators:

Menno Stofkooper - mth.stofkooper@avans.nl
Avans University of Applied Sciences
The Netherlands

Jordi Linares - jlinares@dsic.upv.es
Universitat Politècnica de València
(Campus of Alcoi)
Spain

Professionals/ Organizations

Results
(10-15min)

Moderators:

Jay MacDougall - jd.macdougall@avans.nl
Avans University of Applied Sciences
The Netherlands

Marleen Mares - mhch.mares@avans.nl
Avans University of Applied Sciences
The Netherlands

Interdisciplinary Results

(10-15min)

Moderators:

Angèle Geerts - asam.geerts@avans.nl
Avans University of Applied Sciences
The Netherlands

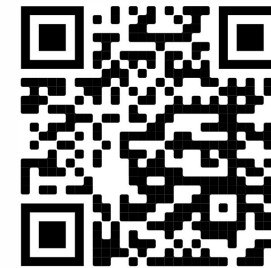

Maartje Vermeer - mjcm.vermeer@avans.nl
Avans University of Applied Sciences
The Netherlands

Next events:

Date	Event	Responsible	Country
September 2021	2 nd Multiplier Event	Lab	Finland
November 2021	2 nd Intensive Study Programme	AVANS	The Netherlands
February 2022	3 rd Multiplier Event		
September 2022	3 rd Intensive Study Programme	UPV	Spain
	4 th Multiplier Event		
	Final Conference
